## Avian conservation translocations

12-13 November 2024 | On Zoom and X (Twitter)

### PROGRAMME

- Times are displayed in Greenwich Mean Time (GMT). Please check your local time using this [time zone convertor](#).
- Zoom presenters will post a summary of their presentation on X during their Zoom presentation slot.
- Poster presenters will post a summary of their poster on X as indicated in the programme.
- X-only presenters will post their X presentations as indicated in the programme.
- Posters can be viewed on Slack, and questions posted for presenters, during the scheduled poster sessions and at any time during the conference.

Day 1: Tuesday, 12 November 2024

SESSION 1 – MONITORING OF TRANSLOCATED POPULATIONS		#SESH1
GMT 0855	<b>WELCOME TO THE CONFERENCE</b> Chair: TBC	
0900	<b>KEYNOTE</b> <b>How does population monitoring and modelling get more birds in the bush? A perspective from the interface of science and practice</b> Kevin Parker (he/him)   Parker Conservation, New Zealand   @Reintrobiology	
0930	<b>Headstarting and translocating Eurasian Curlew: challenges and outcomes</b> Katharine Bowgen (she/her)   British Trust for Ornithology, UK   @modelbirder	
0945	<b>Preliminary results of the first translocations of a passerine species in continental Europe: the endangered Duppont's lark</b> Helena Navalpotro (she/ her/ella)   Centre de Ciència i Tecnologia Forestal de Catalunya (CTFC), Spain   @HNavalpotro	
1000	<b>Movements and behaviour of UK white storks</b> Aldina Franco (she/her)   University of East Anglia, UK   @aldinafranco	
1015	<b>Adaptive management for Spoon-billed Sandpiper headstarting based on 10+ years-worth of data and experience</b> Jodie Clements (she/her)   Wildfowl & Wetlands Trust, UK   @WWTconservation	
1030	<b>BREAK</b>	
PLENARY		#PLENARY
	Chair: TBC	
GMT 1100	<b>PLENARY</b> <b>Process and progress in the translocation and reintroduction of bird populations</b> Carl G. Jones   Durrell Wildlife Conservation Trust, UK	

1200 **Speedy Posters | ZOOM**  
30-second poster elevator pitches | Various presenters

1215 **Poster Session | SLACK**  
View posters and chat with presenters on Slack

1245 **BREAK**

## SESSION 2 – DECISION SCIENCE AND TRANSLOCATION PLANNING

#SESH2

Chair: TBC

GMT

1500 **KEYNOTE**

**Use-inspired modelling: demographic analysis in the context of conservation translocation decision making**

Sarah J. Converse | University of Washington, USA |

1530 **Knowledge is power: how collaborative research supported a reintroduction of the Western Grasswren**  
Saul Cowen (he/him) | Department of Biodiversity, Conservation and Attractions, Western Australia | @CowenSaul

1545 **Reintroduction strategy development and evaluation for a threatened grassland passerine using decision analysis**  
Hannah A. Sipe (she/her) | University of Washington/University of Montana, USA |

1600 **A protocol for the design and implementation of translocations in inland passerines**  
Pedro Sáez Gómez (he/him) | Universidad Autónoma de Madrid (UAM), Spain |

1615 **BREAK**

## SESSION 3 – ADAPTIVE MANAGEMENT

#SESH3

Chair: TBC

GMT

1645 **KEYNOTE**

**Learning and uncertainty: adaptive management of conservation translocations**

Stefano Canessa (he/him) | University of Bern, Switzerland | @Stefano\_Canessa

1715 **Conserving Kyloring – taking the plunge with wild-wild translocations of a Critically Endangered parrot**  
Sarah Comer | Department of Biodiversity, Conservation & Attractions, Western Australia |

#BOUsci24

## Avian conservation translocations

12-13 November 2024 | On Zoom and X (Twitter)

1730 **Head-starting Burrowing Owls to increase hatch-year survival and site fidelity in Alberta, Canada**  
Graham Dixon-MacCallum (he/him) | Wilder Institute/Calgary Zoo, Canada |

1745 **BREAK**

### SESSION 4 – HEALTH AND WELFARE CONSIDERATIONS

#SESH4

Chair: TBC

GMT

1815 **KEYNOTE**

**Considerations for health and welfare in successful conservation translocation programmes – the tūtuturua/New Zealand shore plover as a case study**

Kate McInnes | Dept of Conservation, New Zealand |

1845 **Managing the health aspects of a long-term Golden Eagle reinforcement project**

Gidona Goodman | The Royal (Dick) School of Veterinary Studies/University of Edinburgh, UK |

1900 **Evaluation of the diet of the white stork at Knepp Estate during the breeding season**

Şeniz Mustafa (she/her) | University of Brighton/White Stork Project, UK | @senizdoesnature

1915 **Applications of Project Godwit early-life effects analysis results to future translocation work for Black-tailed Godwit**

Alex Nicol-Harper (she/her) | Wildfowl & Wetlands Trust, UK | @alexnicolharper

1930 **END OF DAY 1**

#BOUsci24

## Avian conservation translocations

12-13 November 2024 | On Zoom and X (Twitter)

Day 2: Wednesday, 13 November 2024

SESSION 5 – ECOSYSTEM RESTORATION AND REWILDING		#SESH5
Chair: TBC		
GMT 0800	<b>KEYNOTE</b> <b>The role of conservation translocations in rewilding</b> Phil Seddon (he/him)   University of Otago, New Zealand   @PhilSeddon4	
0830	<b>The Mississippi Sandhill Crane supplementation, 1981-present</b> Scott Hereford   Fish and Wildlife Service, USA	
0845	<b>The Marianas Avifauna Conservation Plan: progress and challenges in the Western Pacific</b> Ellie Roark   CNMI Division of Fish and Wildlife, Northern Mariana Islands   @FledgeCast	
0900	<b>Assessing invasion risks using EICAT-based expert elicitation: application to a conservation translocation</b> Maude Vernet (she/her)   University of Bern, Switzerland	
0915	<b>Speedy Posters   ZOOM</b> 30-second poster elevator pitches   Various presenters	
0930	<b>Poster Session   SLACK</b> View posters and chat with presenters on Slack	
1000	<b>BREAK</b>	
SESSION 6 – TRANSLOCATIONS AND PEOPLE		#SESH6
Chair:		
GMT 1030	<b>KEYNOTE</b> <b>Listening to the species: the key to long term success of the reintroduction of endangered Grey Crowned Cranes in Rwanda</b> Olivier Nsengimana   Rwanda Wildlife Conservation Association   @RwandaWildlife	
1100	<b>TBC</b> TBC	
1115	<b>Dispersal and immigration in a recently translocated population of Osprey</b> <b><i>Pandion haliaetus</i> in Southern England</b> Brittany Maxted (she/her)   Birds of Poole Harbour/Bournemouth University, UK   @BrittanyMaxted	

1130 **Thoughts on storks: public perceptions of an avian reintroduction aiming to connect people with nature**

Rachel White | University of Brighton, UK | @Rach\_L\_White

1145 **Towards a multidimensional and integrated approach to conservation translocations**

Filippo Marino | University of Leeds, UK | @Filippo\_Marino

1200 **BREAK**

## SESSION 7 - BEHAVIOUR IMPACTS

#SESH7

Chair: TBC

GMT  
1330 **KEYNOTE**

**The interdisciplinary nature of conservation translocations: mixing science and practice in reintroducing the 'Alalā, Hawai'i's last remaining corvid**

Alison Greggor | San Diego Zoo Wildlife Alliance, USA |

1400 **Release of White-rumped Vultures *Gyps bengalensis* in Nepal: how successful has reintroduction been?**

John Mallord | RSPB, UK |

1415 **Conservation Translocations as a pseudo-experimental design to study both conservation and ecology**

Ron Efrat | University of Haifa, Israel | @ron\_efrat

1430 **BREAK**

## PANEL – CONSERVATION TRANSLOCATIONS: LOOKING TO THE FUTURE

#PANEL

Chair: Geoff Hilton | Wildfowl & Wetlands Trust |

GMT  
1500 **Conservation translocations: Learning from experience and looking to the future**

Martin Gaywood | Nature Scot, UK |

1520 **Panel discussion with live Q&A**

Sarah Dalrymple (Liverpool John Moores University), Lee Schofield (Ecologist and Author), John Ewen (Zoological Society London), Delphine Pouget (Natural England) & Mary Davies (RSPB)

1630 **CONFERENCE CLOSE**

1640 **END OF CONFERENCE**
